

Dear Robin

VICTORIA AND ALBERT MUSEUM

London is terribly quaint -  
much easier to be in than  
New York. But very, very  
expensive. I have wandered  
the streets and seen quite a  
lot of theater. In the V&A  
museum today I saw fabulous  
concordances and wished I could  
bring them for you to wear at  
PRIDE this year. The picture  
on the card is one idea. I miss  
New York and hope to spend  
time again with you.

located in the world - ma  
Victoria and Albert Museum is  
fantastic things.
