

Lee Frances 13 FEB 93

Hi Ari!

I am looking at 133 Grace
& Lee letters ready to be mailed
and I was looking back over the last 5
years and what led up to all of this
blessing from God. Early on when
I was ready to give up on Beta
Chi you phoned me twice and en-
couraged me to go on which I did.
Beta Chi never really amounted to
anything and it's on hold now 'til
younger leadership turns up. I'll
be 74 in April. Anyhow I just want
to go on record as Thanking you
once again for that little push in
the right direction.

A BIG GOD BLESS YOU !! and
I hope you are enjoying good
health and happiness.

In sisterly love

Lee
