The Audre Lorde Project is a recently created center for Lesbian, Gay, Bisexual, Two-Spirit, and Transgender People of Color communities.

Initiated as an organizing effort by a coalition of Lesbian, Gay, Bisexual, Two-Spirit, and Transgender (LGBTST) People of Color, The Audre Lorde Project was first brought together by advocates for Gay Men of Color (a multi-racial network of gay men of color HIV policy advocates) in 1994.

The vision for ALP grew out of the expressed need for innovative and unified community strategies to address the multiple issues impacting LGBTST people of color communities.

The Audre Lorde Project secured and moved into its Fort Green home, in the parish house of the Lafayette Avenue Presbyterian Church, during the summer of 1996 and held a grand opening celebration in November 1996.
