Don't Let Colorado Springs Make Gender Non-Conformity a Crime!

Did you know: The trumped-up sex charges against Sean didn't exist until *Col Springs cops, the DA and the parents pressured his girlfriends* to bring complaints?

Did you know: The sex acts for which Sean is charged were **entirely consensual**?

Did you know: Thanks to our DA, Colorado Springs, the birthplace of Amendment 2, is well on it's way to becoming **"the Gender Police Capital of the US"**?

Did you know: His girlfriends **claim they had sex with Sean 50-100 times yet FAILED TO NOTICE he had no beard, no chest hair, breasts, and female organs!**

Did you know: Sean was charged with violating age-of-consent laws: with mixed-sex consenting couples that almost *always* results in *just a simple misdemeanor*.

Did you know: To avoid a long & embarrassing trial and force him to plea bargain, the **DA stacked charges against Sean** until he faced **48 years in prison**. *Hmmmm... Could this be one more attempt to look "tough on queers" before conservative voters?*

The Cops & DA want to waste tens of thousands
of dollars of your tax money regulating sex & gender.

They want to *invent* new criminals instead of
catching those already on our streets.

Say "NO!" Free Sean O'Neill!

The Transsexual Menace. Just your average group of guys in dresses and women in pants, even though the Col Springs DA thinks we're all sex criminals.
We're here. We're queer.* Get used to it. (* Except for Krissy, who hates the word "queer.")
