Aug. 14, 1987

I have the great pleasure to inform you that you are one of 10 people upon whom our new Board of Directors, at our July 4 Annual General Meeting, have bestowed an Honorary Life Membership in the "new" Metamorphosis Foundation, Inc. We are also retaining three past Honorary Life Members to make up a total of 13. These include the following names (published in the Metamorphosis Magazine):

Dr. Harry Benjamin (died 1986)  
Joan M. Bridgman  
Joanna M. Clark  
Judith V. Cousins  
Pasteur Joseph Douce  
Dr. Roberto Farina  
Susan C. Huxford  
Canon Clinton R. Jones  
Dr. John Money  
Jude F. Patton  
Louis G. Sullivan  
Strathie (surname withheld)  
Dr. Leo Wollman

Please find enclosed the most current issue of the Metamorphosis Magazine. You will be sent future issues on a regular basis as part of your membership benefits, as well as a copy of the new Constitution and By Laws, and a new membership card once these become available (sometime in late December or early February).

The selection criteria included one or more of the following:

- 1) professional, para professional or lay, transsexual or non TS;
- 2) five years or more contribution to the transsexual community (on a local, provincial/state, national or international level) by way of research, treatment, therapy, counselling, education, information, referrals, peer counselling and/or peer support;
- 3) publication of books, booklets, papers, articles, newsletters, magazines, etc. (11 have published one or more of these).

We would be pleased if you would acknowledge this letter and if you would also include your status as an Honorary Life Member in MF in your future curriculum vitae or resume. Thank you so much on behalf of those individuals you have helped over the years.

In sincere appreciation,

*Rupert Raj*
