Abstract

This collection contains research conducted by Texas A&M University (TAMU) administration about the campus climate regarding LGBTQ issues. TAMU administrators, mostly from the Department of Student Life, collected information about other universities and surveyed the TAMU campus to compile information about the experience at TAMU for LGBTQ students. It also contains reports created based on this research.

Scope and Contents of the Materials

This collection covers the mid-1990s to the 2010s. During this time, for several years, TAMU was listed on the Princeton Review list of top twenty LGBTQ-unfriendly campuses in the United States.
