Dear Roberta:

I am currently in the process of putting together two referral lists of TS support groups, service organizations, newsletters, gender identity clinics, endocrinologists, psychotherapists/counselors and SRS surgeons for male and female TSs, respectively which I hope to make available for a nominal fee by June or July.

You can assist me in this project by supplying the following current information at your earliest convenience.

Do you have a support group for TSs only? Please specify if it is M-F, F-M, or both. Who is the contact person? What is the mailing address and phone number? What are the membership dues (if any)? Do you have a regular newsletter? If so, who is the editor and what is the title and subscription fee? (If I am not already receiving it, can you please forward me a copy. Thanks.)

I sincerely appreciate your help in providing the information I require and I look forward to hearing from you soon. Keep up the good work you are doing for the TG community and take care now.

In fellowship,

  
Rupert Raj-Gauthier

P.S. I'll be sending some pieces for publication in "Rosebuds". It was nice meeting you at the Tiffany House last May.
