CHAPTER

We Regret...

...That the August issue of OUR SPECIAL JOY was sent to you later than usual, and also that this issue of the newsletter may reach you later than we would have liked. There are a number of reasons for this, and we are sorry if this has caused you any inconvenience, especially meeting attendance.

...This is where the Geographic Area Leader (GAL), network becomes most effective. I was in touch with each GAL prior to the September meeting to provide information and to get an estimate of attendance at the September meeting. We will do the same for the October 8th meeting, so get in touch with your GAL by the early part of the first week in October if you (and wife/girlfriend), would like to attend our October meeting in northern New Jersey. She can provide you with all details.
