

ON
YOUR
BIRTHDAY

Hi Guy!

6/84

Lou-

How are you? I haven't heard from you in quite awhile. I hope you are in good health and spirits - and enjoying the summery weather.

Have you heard from [REDACTED]

[REDACTED] [REDACTED] recently? I wrote him some time ago but got no reply. Is he, perhaps, living in San Francisco now? If so, please give my best regards and warm wishes. Know how you are.

WISHING YOU

*the nicest Birthday -
the happiest year -
and the best of everything,*

ALWAYS!

love and peace,

Rupert
