Dear Lou,

On behalf of the immediate and extended family of
Cyril W. Hess, I wish to thank you for sharing in our
sorrow at his death.

The beautiful floral tribute was most appropriate
and much appreciated. After the funeral the
flowers were sent to Green Tree Hospice where they died
to cheer other patients.

I am enclosing a memorial card, funeral program and
several news articles which I think you might like to have.

Your thoughtfulness will always be remembered.

Eldon E. Murray
