Dear Lou:

Hi! How are you doing - well I hope. I trust you got my greeting card last summer? Please find enclosed the double issue of the Metamorphosis Magazine, etc.

Did Kim Hellman of ETVC show you the photo taken with me at the IFGE First Annual Convention in Chicago in March? Kim and I co-moderated a workshop on TSism as well as two open forums. I like her a lot and am networking with her and Gloria Peters, of their Outreach Committee. She also told me that Kim Stuart came to speak at one of their meetings. We are planning to make Kim Stuart an Honorary Life Member of MMRF for her contribution ("The Uninvited Dilemma") to the TS community. I'm also suggesting to my Board that we extend the same honor to you, for your past contributions ("Information For The Female-To-Male Crossdresser And Transexual") and your current project (biography of Jack Garland). How is this latter coming along?

I plan to publish your ad in the next two issues of the magazine for the balance of the calendar year because you paid for six ad inserts last year and only got four (counting the current double issue). I would very much like to order 4-6 more copies of your book in order to make this available to our members at our AGM on July 4 but unfortunately, our treasury is currently very low and we just cannot afford it right now - unless you would be willing to send us the copies on consignment. We still have two left out of the six we bought from you last year, although do "push it" to our local members when I see them.

Please give Kim Hellman and Kim Stuart my greetings when you should happen to see them again. Thanks. Please drop me a line soon and let me know how things are going with you, okay? Take care for now and all the best.

In friendship,

P.S. Would you like to submit a report on your genitoplasty experience for publication in the magazine?
