Dear Elaine,

Just a note. Hope you and Margaret are both back to normal now! I enclose a letter from Beatrice in bankish and also a request for your collection. Perhaps there is some hope for British Justice.

### Sex-change barman freed

SEX-CHANGE barman Gary Stables was freed from a women's jail yesterday to start a new life as Amanda Stables. Stables, 22, of North London, who changed sex after being arrested for importuning, was released after Appeal Court judges reduced her sentence.

Sadly, the source of  
this cutting was not stated.
