Dear Les,

Enclosed is the photo you requested of three more transgender warriors for your forthcoming book of the same name. This photo represents the East Coast Female-to-Male Group (ECFTMG). Please note the three group members in the photo are, from left to right, Jacob, Mikel-Jon Carter, and Bet Power (group founder).

Also enclosed are the release forms for the three models and from the photographer, Robin Slavin.

I have previously sent you a description of ECFTMG for publication.

Please confirm whether the photo has indeed made the Beacon Press deadline and also, keep us informed of the book publication date. Needless to say, we are very excited about your upcoming book and are glad and proud to be a part of it. You may reach me at any time at (413) 584-7616.

In Transgender Pride,

*Bet Power*
