Dear Lou,

My lover [redacted] found the attached story in
a special travel section of The Quincy Sun.

Quincy, MASS is near Boston.

Thought you'd be interested ... sounds like
a Female-to-gay Male to us!

I'll try to make some time to
research this couple further, and A. J. Davis.

I think of you often. Would love
to hear from you by note when you can,
or phone call: [redacted].
