Dear Rupert:

Long time, no hear. What's going on? I'm curious as to whether you are still publishing Gender NetWorker, and if I should continue to run your ad in FTM. The last issue I saw of Gender NetWorker was #2 (August '88). Please advise.

Also, I am still wondering if you'd like me to list Gender NetWorker in my upcoming third edition of INFORMATION FOR THE FEMALE-TO-MALE and, if so, how the listing should read. Ari Kane's Human Outreach & Achievement Institute in Boston has agreed to publish the third edition for me, which is really good news.

Hope all's well with you. As for me, I'm still kickin', though not very high.

Regards,
Lou Sullivan
