Dear Ann Zandra

I would like to thank you for all the help you have given me in recent months. I have been a normal ^{male} transvestite for many years ~~and~~ happily married with 2 children. Until you wrote about transvestites in your ^{column} ~~column~~ my wife tolerated my desire to dress in woman's clothing as if I was the only man in skirts. ~~Zolly Zately~~, however, she has shown little resistance and a great deal more understanding. I feel this ~~in the long run~~ will make our ^{wonderful} ~~happy~~ marriage even more wonderful.

I do have one point of disagreement with you. ~~that is I don't~~ ^{ment} ~~contrary~~ to ~~believe~~ your belief I don't ~~get~~ just get my "gollies" by dressing up. I enjoy ^{wearing} ~~wearing~~ skirts and dresses in the same way women ^{wear} ~~wear~~ ~~skirt~~ pants: for comfort and variety. I hope some day equal rights will be granted by society to those men who wish the freedom to wear ~~so~~ what they want in public without ~~ridicule~~ ^{ridicule} or threat of arrest. ~~this is~~ ^{it is} something most people are afraid to reveal publicly. I hope you find ~~some~~ room for my feelings on this subject.

Thank You
skirts.
