ISSUE THREE

WINTER 1983-84

EDITORS NOTEBOOK by Linda Walker

Hi Girls,

Merry Christmas. Wow!, this has really been some year. You know if there was a pill to cure our hobby, I would be the first to speak out against it. I wouldn't trade my experiences this past year for anything. I just returned from 10 days in Provincetown, Mass. THE 10 days of the year - FANTASIA FAIR - where your fantasies become reality. The town's people and merchants treat you as what you appear to be (a lady), and that experience combined with other opportunities to expand one's horizons, makes those 10 days unforgettable. This was my fourth year there and it was every bit as exciting as each of the past three. FANTASIA FAIR '84 will take place October 12th thru the 21st. For details write to :

As most of you know the proceeds from the Fair are used to support the Outreach Institute. In March of 84, March 10th, 1984 to be specific, The Institute is sponsoring a group outing to Harvard University to see this year's Hasty Pudding Club Production. The cost will include a dinner after the show. The proceeds from the outing will go to support the Outreach Institute. For only \$60.00 you will get the opportunity to appear in public 'En Femme' and see one of the nation's most prestigious amateur DRAG shows in which at least one U.S. President has appeared. A deposit of \$30.00 will be required before December 31st, to ensure that you have a reservation. Send you deposit to the address shown above. For more information you can call

Our Phi Chapter Halloween Party was a smashing success. After a hearty (figure ruining) delicious Turkey Dinner with all the trimmings (Dinner & Trimmings prepared by Michelle), we drove over to the MCC Halloween Party in Philadelphia. I think things started to wind down around

1 A. M. We are looking forward to the annual Wives, Friends and Lovers Dinner in November and of course we are all looking forward to the group's annual Christmas Party at Michelle's. This year's date is December 17th. At that party we get to show off our very best fashions. I understand that Michelle is also planning to serve another terrific Christmas Dinner. Rumor has it that it will be Turkey and/or Ham, again with all the trimmings. Our guests at the Christmas party this year, as they were last year, will be the members of the Metropolitan Community Church of Philadelphia (MCC). They are the gay group whose Halloween party we attended.

I recently received a letter from Kathy Hivish. She would like me to mention in this publication that she is again having regular meetings. For details write to:

Our Chapter's own Angela Gardner is planning a Pocono event sometime this Spring. for details write to:

If you need the name of a Psychiatrist in the greater Wilmington, Del. area, if you really feel that you need that kind of Professional help, I can provide you with the name of the Doctor who helped my Spouse and me. If you send me a self addressed stamped envelope, I'll send you his name, address and telephone number.

The dates for the PHI Chapter's get togethers for the first four months of 1984 will continue to be the fourth Saturday of each Month.

Again, The Publishers, Editors and Staff of this publication as well as Michelle Williams, President of our Chapter, myself and the other Officers and members of the PHI Chapter wish to take this opportunity to wish each and every one of you the very best Christmas ever, and wish for you a New Year in which all of your fantasies, wishes and goals become reality

UNTIL NEXT TIME,
PAX VOBISCUM
