Dear Paul:

Thanks for your letter and compliments regarding FTM. I am enclosing our back issues, plus the L.A. Times article, per your request, and will put you on our free mailing list for future issues. I'm returning your stamped envelope, as I don't believe I can use your stamps when mailing from the U.S. You offered to help with FTM - I'd love it if you'd write something for us about the F-to-M scene in New Zealand, or any other topic. I need writers!

I'd also appreciate your telling other female-to-males about FTM. I'd like to add them to our free mailing list, too.

You are not the only one wondering what has happened to Rupert Raj. Someone in Toronto recently informed me that his phone is disconnected, so we're all having trouble contacting him. He sent a letter to me last April explaining that he was discontinuing Metamorphosis because of "chronic burn-out." I see he is still running ads in The Transsexual Voice with the following address: Rupert Raj, Gender NetWorker, P O Box 1224 Station A, Toronto Ontario Canada M5W 1G7. You might try writing him there.

Yes, my booklet, INFORMATION FOR THE FEMALE-TO-MALE, is still available for US \$6. I have enclosed an order form.

You asked me about myself: I am a 37-yr-old female-to-male, living full-time as a man since 1980, when I had my mastectomy. Recently completed my bottom surgery ("genitoplasty"). As mentioned in my Metamorph. Pen Pal listing, I am a gay man.

Looking forward to hearing from you again,

Lou Sullivan
