E. Merman, Entertainment Ed.

here's no business like show business, and in all the world there's no show like the Fan-Fair Follies. Come see and hear all the sights and sounds of crossgenderism run rampant (not amok, if you please: Marueen T. runs a tight ship.) With stars like Lorraine, Elaine, Katherine, Tamarac, Lannete & Gwen - AND MANY OTHERS - it will be a night to remember.

Show time is 8:00 p.m., at Crown & Anchor Backroom. Cast, crew and audience are all invited to the Apres Follies Party in the Crown, around 11:00.

Partners' Coffee Call:

Where Partners meet to have a continental breakfast and talk. Schedule for the rest of the week:

Thurs., Hargood #12 (Kathy's)
Fri., Watermark (Dottie's)
Sat., Hargood #7 (Flo's)

Lunchtime Seminars Today

"Lesbianism" - at the Crown & Anchor

"Transgender" - at the Gifford House Cabaret Room

"Professionals' View of CD's" - at Lobster Tales.

Seminars are scheduled from noon to 2:00. There is still room at some of the seminars if you have not yet scheduled one. See Shella K. or Allison L.

Use This Space

(or any space we have) to advertise your needs: rides to share, objects lost or found, partners for tennis (Irene R. and Suzanne V. have been looking for partners). Especially if you need rides, it's not too early - in fact, there are only a few issues of the newsletter to go.

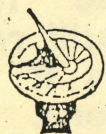

Schedule on Page 2

Watch (Or listen) for announcements about the Friday Kite Fly. Because of the (conservatively speaking) inclement weather, it's not certain just how it's going to go. Meanwhile, Joanna is doing her best to work it out.

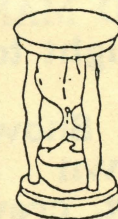

Reminder from Jim Bridges: If you're a holder of a blue coupon, please be sure to make your appointment at the Gifford House.

Clothing for Sale

There are formal skirts, formal evening dresses and costumes for the Fantasy Ball available from Ariadne K. at Apartment #16, Hargood. She'll be available after 2:30 this afternoon and after 10:30 a.m. Friday.
