Dear Bet:

Thank you for your letter of August 31 requesting a review copy of INFORMATION FOR THE FEMALE-TO-MALE, which I am enclosing.

It is the only booklet available on the subject and has been highly praised by those "in the know." I wrote it after searching desperately for information, as I have crossdressed as a man since 1973 and have been living full-time as one since 1980.

I would appreciate receiving a copy of your newsletter in which your review appears.

Yours in liberation,

Lou
