Dear Lew,
more than anything
else, this was just
practice to find a way
of explaining the
situation to the public
in the book. Your help
in providing me with
a comfortable feeling
about the subject has
been invaluable.

I do hope you are able
to help Scott in some
ways. The more he
talked, the more I thought
of you and the insights
he might gain from
you.

with warm regards,

Kim Shurt
