NEXT MEETING October 17 AT 6:30

CROSS-PORT BASICS

Cross-Port has growing pains. At the September meeting we entertained 16 girls and friends. We must say a special thank you to Yvonne and Tom for making the long trip from Columbus to join us, to Cathy for bringing them and to Mary and Ashley (Ediya) for joining us.

We talked and got to know each other until about 9:00 then did a little business. Jill said she would be treasurer and Joanne said she would help. I brought up the idea of finding a place to have the meetings and the Christmas Party. It was decided to try to hold the party the weekend of December 7 since Paradise's is the next weekend. I've done some checking and at this time everything is looking good for that weekend. I'll be giving more details later but all you out of towners can start making plans to attend.

We talked about some of the different clubs around where we are welcomed. I promise in the next issue I'll have names and addresses of the ones we know about.

After the business closed, we were entertained by Ediya, who did a couple of numbers for us despite the heat. She has performed at the Metro and the 7410 Club in Dayton. She was GREAT and we give her a big extra THANK YOU for dancing beyond the call of duty.

I promise that come December it will be cooler here. The air conditioner was working over time and still it warmed up in here. The last person left around 12:15.

I must make a plea here, the house is open to all at 6:30, please do not show up before that. It only causes trouble and from now on I will have to ask you to leave and return at 6:30. Also plan to leave by 11:30. My wife rises at 5:30 and I at 6:30 am. and we girls need that beauty sleep. Please remember that we expect conduct befitting ladies in public. Any one not conducting themselves as such, will be ask to leave.

Finally, I wish to apologize to those who have written me and I haven't written back to, in the last couple of weeks. Things have really been busy, with the news-letter and sending out info to new people, plus other projects. Please understand. I enjoy hearing from you and I try to answer letters with questions which can not be answered here first. Others I write to as I find the time.

G I R L T A L K

The weekend after the meeting was a big one for myself and Sharon as we headed for Pittsburg and the Transpitt dinner party. We were on the road at 5:00 pm friday and arrived at the motel about 10:45. Unable to find anyone else's room and since we had both been up late for the Cross-Port meeting the night before we decided to retire.

I slept like a log, waking around 8:30. We had breakfast and then met up with Sharon Hart and Colleen from Chicago's Windy City Chapter. Being with Colleen all day made me wish I had the courage to dress all day. Well maybe a year from now. We went with them for breakfast then drove through downtown. We arrived back at the motel about 2:00 and met Rosie and wife Sue. Johnnie, the president of Transpitt met us about 3:30 and Sharon and I began to get ready for the big night out. For me it was my third time out and Sharon's first. For both it was a first in a different city and in broad daylight. We walked around the motel parking lot as we waited for everyone to arrive. The management just stared.

We got to the Travellers club around 7:45 after getting a little lost. Travellers is a private club and is beautiful inside. There are two bars on the first floor and a bar and disco on the second floor. Being a poor guesser, I'd say the place holds around 500 people. There were about 24 of us for dinner all of which looked very attractive and they treated us like perfect ladies. After we finished eating, the crowd was starting to arrive so we went into the disco and mixed with the others.

3:30 am came really quick and when we left, the place was packed. We got lost going back and finally got to the motel about 4:15. After chatting for a time Sharon and I hit the sheets about 5:30 am. Sunday morning we headed for home feeling like the pumpkin that once was a beautiful carriage. The ride home was a long one.

We both want to thank everyone for making us feel so at home. Johnnie, thanks for having us, Sharon and Colleen for showing us around, and Evelyn for helping us feel comfortable. It's a night we'll long remember.

Heather

KAREN'S KORNERS

Hello again. This month I'd like to talk about ELECTROLYSIS. This is a process of permanently removing facial and other body hair through the use of electric instruments. There are currently 3 major types of methods in use. They are Thermolysis, Galvanic and Blend. Thermolysis seems to be the most popular method at present, although Blend, which is a combination of the two is quite often used.

Thermolysis works by releasing microwave heat energy via a very fine wire filament probe. Inserted into the hair follicle to the bulb it creates a very small quantity of heat which kills the bulb and extraction of the hair follows. Galvanic, releases an electrical current which generates lye through a chemical reaction. The hair is removed in a similar manner. You must remember that only about 1/10 of the hairs one has are visible above the skin's surface at any one time. The remaining 9/10 are dormant. Hairs grow in different times with each growth time having a life span of about 5 weeks. One square centimeter may have as many as 10 hairs visible with 90

dormant, just waiting for the chance to grow out.

In selecting an electrologist I recommend finding one with experience in the removal of facial and body hair from the male. Ask them how many males they have worked on. Don't be the first male patient. I do not recommend you try to do it yourself with one of those home battery units. While it may have an effect it could take years and if done wrong or poorly it can leave your face scarred.

Try to take advantage of the free consultations many electrologist offer with a short free session. Some discomfort can be expected but the treatment should not be painful, unless you have a low pain threshold. Rates will vary from about \$35 to \$45 per hour. A good operator will do an area about one inch square per half hour.

Electrolysis is an important consideration for the TS and TV alike. Since the beard is a primary "read sign", not to mention the chest, it is a sure sign, regardless of how attractive the individual looks, that something is amiss with this MISS. Til the next time.

Karen

TILL DOES CLEVELAND

After 40 years of suppressing a constant desire to go out in public dressed as a woman, I finally did it. Year after year, night after night, completely dressed, alone in a motel room, I sat afraid to go out. I didn't know who to call or where to turn until recently. It was more than a coming out party, it was me, finally being me. Here's how the whole evening came together.

While traveling in the Cleveland area in June I contacted Evelyn from the Paradise Club by phone. We talked for over an hour sharing our lives and desires. Arrangements were made to get together the next time I was in town to go for dinner and drinks. That day came in the middle of August. I decided to stay at the same place Paradise Club uses for their meetings.

When I arrived at 4:30 pm I was surprised to find that it is an Inn with no direct access to the car from the room. My fears multiplied 1000%. I knew I had to walk through the lobby in broad daylight. I sat in my room debating if I should cancel. After 40 years I HAD to go.

I began to get ready and when Evelyn knocked on the door I was 95% ready with just my nails to do. Evelyn entered and noticed how nervous I was. I'll never be able to say enough about this wonderful lady. To go out with her for the first time is the greatest experience a TV could hope for. I was consoled, confronted, lifted and delighted in all we did all evening.

There was cocktail and dinner at Adams Row. Do They know how to treat a lady! Food, libation and environment are all five star. A special thanks to Richard, the owner, and to Joe the bartender for making a young ladies evening so enjoyable. At 9:00 we drove to the home of Lindsey, the president of Paradise Club, and her wife Sonny. Lindsey was dressed and is very beautiful. We sipped ice tee and discussed Cross-Port's goals and the inter-club relationships. Evey and I departed with me driving (what a thrill) back for a nightcap at Adams Row.

When we finally crossed the lobby at midnight only the night manager was there and I had gained so much courage through the evening that the passing was pleasant. Evey said good-night and I thanked her for a Cinderella evening.

Little did I know that at the Thursday meeting of Cross-Port two days later I would be going out again, this time to the Metro in Cincinnati, with four of the girls. What a week I had, I was wore out. Well, gotta do my nails. Chow

OTHER INFORMATION

Our library of gender-related materials has now been catalogued and filed according to subject matter dealing principally with transvestite (TV), transsexual (TS) and transgender (TS) (applicable to both groups) interest. I'd like you to know how pleased I am to be able to contribute to our organization in the capacity of librarians, and I hope that many of you will find our library material interesting and useful. All materials will be available to you at each of our monthly meetings, and if you decide that you would like to borrow any of these materials to take home with you, we ask that you mark them on a sign-out slip, which we will keep until you return the materials at a future meeting.

Please feel free to bring in any materials that you feel would be of interest to the members of our group. I will be glad to accept any donations of this kind to be added to the library.

Sarah

Bulletin Board

Cross-Port's Meeting schedule for the rest of the year is October 17, November 21, December 19. Tensitive December 7 Christmas Party.

The Paradise Club's Schedule for the rest of the year is:

Meetings 10/19 and 12/14 (Christmas Dinner)

Write Paradise Club, PO Box 29564, Parma, OH 44129, Attn: Evelyn for Prices and Places

Transpitt's Meeting Schedule is 11/16.

Write Transpitt, PO Box 59406, Pittsburg, PA 15211, Attn: Johnnie

The puzzle in this issue was sent in by Michelle Matusak. Thanks Michelle.

NOTICE: Marilyn Mirand is scheduled to be at the October meeting, however there is a small chance that she will need to cancel. So, if anyone is planning on coming just to see Marilyn please call before you come.

ROOMMATE WANTED

Pre-op MTF, 35, 130 lbs., 5'7", white, non-smoker, clean & neat, extroverted, friendly, 2 years college, seeking TS or GG as roommate to share 1/2 expenses in the Greater Cincinnati Area. Write: Karen, P. O. Box 38235, Cincinnati, OH 45238
