

The Greater New York Gender Alliance Presents

2nd Annual

Moonlight in Manhattan

April 21-24, 1994

New York, New York, it's a wonderful town.
The Bronx is up and the Battery's down.
The people go to work in a hole in the ground.
New York, New York, it's a wonderful town!

MOONLIGHT IN MANHATTAN-1994

April 21 to 25, 1994

NEW YORK CITY is a wonderful town and you can experience it all at the Greater New York Gender Alliance's 2nd annual MOONLIGHT IN MANHATTAN weekend and Dinner/Dance being held in April on April 21st through 24, 1994. This year's event promises to be even more fun than last year's. We have nightclubs, restaurants, seminars, vendors, and a lot more.

The specially planned program is one of flexibility. Our friends come to New York City for many reasons. The shopping in the spring is fabulous; salons and boutiques will cater to your every need; or you can join in a planned program. If you arrive early or stay late or just want to wander on your own during the weekend, we have prepared a special Shoppers Guide of stores, night clubs and more for your personal use. When you arrive early, we will meet you at the hotel to get you started.

After you arrive, get changed (if you didn't travel en-femme) and get ready for a fascinating experience. A special registration and hospitality room will greet you on the second floor starting on Wednesday April 20, 1994 at 5 p.m. Come right up and we will give you a special gift and a registration package which will include a guide to New York featuring all of the restaurants, clubs and shows that will welcome you.

Here are some of the special events planned for you:

- ☛ Comedy Club Night
- ☛ New York by Night Bus Tours
- ☛ Mariette Pathy Allen and others in Seminars
- ☛ Moonlight in Manhattan Dinner Dance with entertainment by the Ladies of the Imperial Court of New York
- ☛ Restaurant Bus Tour
- ☛ Fashion Show Luncheon
- ☛ Jim Bridges, Muriel Olive and other Vendors
- ☛ Shopping and special Individual and Small Group Tours
- ☛ Sunday Brunch
- ☛ TV Talk Show and lunch
- ☛ ...and lots more

Come ready for a fun-filled exciting weekend as only New York City can provide. In addition to the activities planned by the GNYGA, you also have New York City with all the entertainment, cultural, sightseeing, shopping, dining and fun experiences available. Our hotel is conveniently located in the heart of midtown Manhattan, a short cab ride to anywhere you might want to go. This is a must for those of you who would like to do the "Big Apple".

The best part is NYC excitement at Peoria prices (Well, not quite. Perhaps Cincinnati). A full registration and sign-up for all of the events is \$180. That's exclusive of travel, dining (package includes two fabulous lunches, the Moonlight in Manhattan dinner/dance and a sumptuous brunch), transportation and hotel accommodations. You can take the complete package or you can choose them individually as you like.

On Thursday, April 21, 1994, there is planned special, small group programs that you can enjoy individually or in groups.

This event is open to all of the gender community: cross-dressers, transsexuals, transgenderists, drag queens, significant others and friends. The GNYGA prides itself in celebrating the diversity of our community. Best of all is that you can enjoy yourself with a clear conscience, as this is a charity event. Last year's beneficiaries included God's Love, We Deliver and IFGE

SECURITY AND DEPARTMENT

New York City can be a fascinating place to come en-femme or it can be a real disaster. GNYGA has made every effort to insure your safety in the hotel and to make your experience one of the most memorable of your life.

However, the rest is up to you. The Days Inn is located in a residential neighborhood and is usually full with visitors from all over the world. While in New York, you are advised to dress appropriately consistent with the time of day and the events that you will be attending. It is not advisable to go out on the streets with skirts so short that you are showing garters and stocking tops. You will be presumed to one of NYC's famous girls and will be treated accordingly. Please also be advised that facial hair will not be allowed when dressed as a female.

While in the hotel, you should treat all of the other hotel guests in the same manner that you would like to be treated.

We know that this will be a great experience for you and hope that your stay will enrich your life. We will have a big sister available for you, if you need some personal help.
