*Folders 4.10 – 5.1 were compiled by Ekins in black binders. They are preserved as a separate series of dates from the loose materials and other folders for the sake of preserving Ekins' selection, if there was any. This is why many dates appear twice. The newspapers that published each article in this gathering are counted, in approximation. Newspaper titles are totalled with a number in brackets following the title. Titles without a number appear only once.*
