Dear Dr. Tornabene:

It's been a long time since I've written, and I hope all's well with you. I trust you have received the issues of FTM Newsletter which I sent, though I just realized I've been using a wrong zip code.

I am in the process of writing a third edition of my booklet, INFORMATION FOR THE FEMALE-TO-MALE. As you know, I have listed the Labyrinth Foundation in my earlier editions, and am now writing to ask if you would like the Foundation listed in the new edition, and, if so, how the listing should read.

I enclose a self-addressed stamped envelope and hope to hear from you soon.

Best regards,

Dear Lou

I hope this won't sound selfish - but I have left New York and for the first time in 21 years I am a free man - I now, like many others want to live a quiet life - I feel I have done a great deal for "my people". It has been rewarding and at times difficult. At present at age 52 1/2 - I am retired from the field.
