## THE JUNE MEETING . . . . .

For our last meeting we were again "back in the motel," but this time had a double-room suite which gave us a bit more room to move around in. Those present were: Jeanette IL-3-Z, Mitzi IL-8-C, Donna IL-11-S, Betty Ann IL-17-A, Billie IL-18-H, Elaine IL-22-A, Deanna IL-35-G, Day IL-44-N, Kathy IL-47-R, Ellen WI-12-P, Lois WI-13-V, and Rughann WI-14-L. No special program was planned, so the social part of the evening was spent in general conversation. As usual we had a "fun-time" together, and those of you who couldn't make the meeting missed another great time.

A special word of welcome to Kathy, who met with us for the first time. We hope she both enjoyed herself and made a lot of new friends, and will be joining with us on a regular basis.

## THE JULY MEETING . . . . .

The next meeting of CHI Chapter will be held on the third Saturday of this month, July 16th. Chapter members will find details on the meeting place and time elsewhere in this newsletter. Regular members please return the post card enclosed, so we will know how many to expect; Associate members who may plan to attend please drop a note to Donna Martin.

## SPECIAL PROGRAM . . . . .

Last month, one of the items which came up in general discussion was the subject of "DREAM." Many of our current Chapter members are relatively new, and were not acquainted with what was being discussed. So, the suggestion was made that we contact Marilyn, and see if we could obtain the DREAM Slide Show for a special showing at a Chapter meeting to bring everyone up-to-date. Your Editor telephoned Marilyn, and she very obligingly agreed to drop the show into the mail to us. At this month's meeting we will have a special repeat showing of the DREAM Slide Show, the high-lights of week-long FP gatherings in the State of Washington. This show is narrated on cassette tape, and uses both voice and music in relating the various scenes presented. If you have never attended a DREAM program, come and see what you have been missing! This is a good opportunity to bring your favorite GG along, to see a good cross-section of FP's from across the nation. We expect a good attendance to see this special showing, so reserve the date now and make plans to come.

## VACATION TIME . . . . .

Due to vacations, normally each year we do not have a meeting in the month of August. However, at the June meeting, enough members indicated that they would be in town that month so a meeting has been tentatively scheduled. Regardless, that is the time of year when ~~our~~ Editor takes her vacation, so there will be no newsletter published for the month of August. The next newsletter sent will be dated "September." Chapter members only will receive a special "flyer," with information on the August meeting.

NIAGARA FRONTIER CHAPTER . . . . .

We had a very successful meeting on May 18th, the best yet. There were five girls in attendance at the meeting: Joan FCO-14-S, Jennifer FCO-13-B, Franny NY-19-F, Muriel NY-26-W, and Laurette FCO-4-K (TVia #89's Girl of the Month).

Laurette is quite a girl. She is so small and feminine, and quite a comedienne; she kept us all entertained for most of the evening with her rapid-fire jokes and Irish wit.

Some small amount of business was accomplished, though. The Chapter decided to have our next, and possibly the rest of our summer meetings, at the cottage just over the border in Ontario. The cottage is ideally located for our American members, just a short distance from the Peace Bridge at Buffalo, N.Y.

At the May meeting Franny NY-19-F was elected President and Secretary of the Chapter, and Joan FCO-14-S was elected Vice-President. We all enjoyed ourselves very much that evening, and found that all too soon it was time to go home. The next meeting of the Chapter has been scheduled for June 16th at our new cottage location in Ontario.

Franny NY-19-F  
President

WORD FROM THE WEST COAST . . . . .

We recently received a note from Carol Beecroft: "I think that if everything goes right, I will be out to visit with CHI Chapter in late September. It's not definite, but we are working on that date. We'll arrange it that we can visit you on a Saturday evening, so if you can tentatively plan for a meeting the last Saturday in September, we will plan on being there." At the June meeting, the Chapter unanimously agreed to hold our September meeting the last Saturday of that month. Mark your calendars now, and plan to be with us that night to meet Carol, and give her a CHI Welcome to Chicago!

OUR ADS (AGAIN) . . . . .

Continuing the saga of trying to get our advertisement in local newspapers, a contact was made with the Chicago Tribune (known as the World's Greatest? Newspaper). Although our ad copy was not rejected, the newspaper indicated that they would require "additional information" on the purpose of the ad, our organization, etc. before they would accept it for review by their "Editorial Board." Jeanette has agreed to go down and talk to them, and will take a copy of Virginia's book, the Tri-Sigma information brochure, and copies of the Femme Mirror. Hopefully, this will result in acceptance of our ad. If not, at least we will know where we stand, and will then try the Chicago Sun Times/Daily News which are generally considered more liberal. More later.

Try and make the next meeting. Until then,

*Donna*
