

*** SPECIAL NOTICES ***

BATHROOMS:

There are private bathrooms in the Harvard Room, Hampshire Room (Registration), and Harrod Room (vendors). Please use these bathrooms only.

We realize that many of you are used to using the bathroom of preference, but we ask you to please respect the hotel management's request and the privacy of the hotel's other guests, and use those bathrooms set aside for our use.

PHOTOS:

IFGE uses many photographers to document the convention. Selected photos will then be placed in the TV/TS Tapestry, and the convention photo album, and a few will be used to promote future conventions.

It is an impossible task to ask for photo releases from everyone at the convention, and even more impossible for the photographers to know who does or doesn't want their photo taken. Therefore, we ask that you take the responsibility of informing the photographer whether or not you want your photo taken.

The following persons are authorized to take photos on behalf of IFGE: **Margarita Riess** (coordinator), **Gwendolyn A. Spencer**, **Rachel Richards**, **Jane Fee**, **Wendi Pierce**, **Renee Chevalier**, and **Mariette Pathy Allen**.
