

ACCOMMODATIONS

The rate per room per day will be constant for one or two people. So, if you have a friend, bring her. A pre-registration card will be included in the FALL HARVEST Registration Package you will receive after you have registered.

FOR YOUR SECURITY

Access to FALL HARVEST events will be limited to those who have registered with us. CAF, in addition to the Hotel management, will assist in ensuring that only those who are part of the FALL HARVEST are allowed into our functions. Information provided in this registration form and the questionnaire you will receive with the pre-registration package will be safe-guarded and handled only by CAF Club officers and selected members of the registration committee.

There will be a strict photography policy in effect. Besides the professional photographer that will be taking pictures by appointment, two CAF members will be photographing events. If you want to take any pictures on your own, you need to secure the permission of anyone who may be in the photo. An exception to this is any performance. A more detailed photo policy, and waiver form, will be provided in the pre-registration package.

TRAVEL

Arrangements to and from KC need to be made by you. Kansas City International Airport is served by most major airlines, (American, TWA, etc) has easily accessible ground transportation.

If you are driving, KC is the hub where I-35 and I-70 meets. The Howard Johnsons Central is just off I-35 in downtown KC. A strip map will be provided to you with your pre-registration package.

WHO'S THIS WEEKEND FOR?

Anyone and everyone who is a crossdresser, a transgenderist, a transsexual, or the friend of one.

WHAT'S FALL HARVEST ABOUT?

It's about fun and learning. It's set up to give us, in the Heartland, a chance to get out and be all we ever wanted to be, and more.

WHEN IS IT?

Thursday, November 1st, 1990 thru Sunday the 4th.

WHERE IS IT?

At the Howard Johnsons in Downtown Kansas City, Mo.

WHAT'S THE PROGRAM?

The program is designed with the new girl, attending her first outing as well as the "Old Hand" in mind. Four separate programs, running concurrently, have been established to provide each participant with the help and information that we hope will help you be a better, more complete, and confident person.

THE PROGRAM

The main program is divided into four separate parts, or tracks, each track and it's workshops are oriented toward a specific area of interest. All four tracks run concurrently, merging for special events during the course of the weekend. The four tracks are;

THE NEW GIRL - Topics and items in this track are oriented toward self-improvement for the crossdressers who is just coming out and needs help in presenting herself as a complete woman. Most of this program consists of workshops and demonstrations.

THE OLD HAND - For the crossdresser who has established herself and her image, but wants to learn more about what it means to be a woman and how best to present herself in a feminine manner. Seminars and group discussions are used in this track.

THE NEW WOMAN - This track is for the transsexual, those who are considering this, or those who are unsure. Like the Old Hand program, seminars and group discussion will be used to cover most aspects of those of us who are crossing over the line.

THE SIGNIFICANT OTHERS - While we are learning to deal with improving ourselves, our spouses and friends will have their own gatherings where they will be afforded the opportunity to share experiences, learn from other SOs who have been involved with CDs/TSSs. In addition, a special shopping tour to the Country Club Plaza will be run for the SOs while we are hard at work.

You are also free to tour KC or go shopping on your own. Your CAF hostesses will be able to provide you with valuable tips and places to go.

The Moon Shadow Ball is a 13 year old Kansas City tradition. Produced and staged by Jeff Younger Productions, the Ball is an entertainment and masquerade extravaganza which features a costume and a beauty contest for female impersonators with cash prizes amounting to \$2,400.00.
